

Logistics

Experienced

Packaging Engineer

Full Time - Integrated Assemblies - Motherson Sequencing and Assembly Services (MSAS) - Bratislava, Slovakia

At Motherson, we're committed to creating long-term jobs and advancing global careers. Featured on TIME's World's Best Companies list, we are a diversified global design, engineering, manufacturing, assembly and logistics specialist, delivering full-system solutions to customers across industries. With a focus on innovation, quality and sustainability, we strive to be a trusted industrialisation partner and an employer that nurtures a diverse, inclusive workplace.

Our Integrated Assemblies division leads in automotive innovation, specialising in premium module assembly and cockpit module integration. We collaborate with customers to deliver cutting-edge solutions supporting electrification. Join us to work with advanced technology and shape the future of automotive innovation.

What you'll do

- Develop and design cost-effective packaging solutions for projects across Europe.
- Define and standardize packaging concepts in line with corporate guidelines.
- Prepare technical specifications for packaging procurement.
- Manage ordering of packaging with approved suppliers.
- Support RFQ phase with packaging concepts and cost estimations.
- Lead packaging development during project execution in different locations.
- Validate packaging (fit, protection, handling, transport).
- Coordinate implementation into serial production across plants.
- Collaborate with suppliers, customers, purchasing, and cross-functional teams.
- Drive packaging cost optimization and continuous improvement initiatives.

What we are looking for

- Degree in Engineering, Logistics, or similar
- Experience in packaging engineering (automotive preferred)
- Experience in multi-site or international project environment
- Understanding of procurement processes and supplier coordination
- Good knowledge of logistics and cost structures
- Ability to read technical drawings (2D/3D)
- Strong communication and stakeholder management skills
- Fluent in Czech and English language (German is a plus)
- Willing to travel

What we offer

- A positive and collaborative working atmosphere, fostering personal growth and team spirit.
- Strong career development opportunities in a dynamic and supportive environment.
- A chance to build expertise through exciting, diverse, and challenging assignments.
- A people-first culture rooted in our core values: Mutual Interest, Togetherness, Trust, Respect, and Enthusiasm.
