

Experienced

Senior Manager Production Planning & Control-IND

Chennai, India

This position replacement for Mr. Vinod Kumar D (Assistant General Manager - PPC & SCM). We proposed to take Senior Manager Level and Cost savings Per annum amount of Rs.18,90,252/-.

What you'll do

1. Developing and implementing production plans aligned with organizational goals.
2. Overseeing capacity planning, resource allocation, and material requirement planning (MRP).
3. Ensuring adherence to production timelines and delivery commitments.
4. Leading utilization of SAP PP/MM modules for planning, inventory management, and reporting.
5. Maintaining accurate SAP data for real time visibility and informed decision making.
6. Driving digital transformation initiatives within PPC.
7. Collaborating with manufacturing, procurement, and quality teams to resolve bottlenecks.
8. Monitoring shop floor activities and ensuring smooth workflow execution.
9. Communicating production targets, progress, and challenges to senior leadership.
10. Maintaining optimal stock levels and minimizing excess inventory.
11. Implementing cost control measures to improve operational efficiency.
12. Tracking variances, analyzing root causes, and recommending corrective actions.
13. Identifying process gaps and implementing lean manufacturing practices.
14. Benchmarking industry standards and driving innovation in PPC and SCM processes
15. Providing leadership, coaching, and mentoring to PPC teams while fostering accountability and collaboration.

What we are looking for

1. Master's degree in Operations Management, Supply Chain, or Business Administration (MBA) is highly desirable. BE/B.Tech in Mechanical, Production, or Industrial Engineering and equivalent experience is preferred.
2. 10-15 years of experience in PPC & SCM, with at least 5 years in a leadership role.
3. Strong expertise in SAP PP/MM modules and ERP systems and Industry background in automotive, heavy engineering, or manufacturing.

What we offer

1. The team is growing at the same time our Group grows. Therefore, there are many opportunities for you to grow with us!
