

Experienced

Senior Executive - (EHS)

Pune, India

EHS-SENIOR EXECUTIVE

What you'll do

- Conduct regular site inspections, audits, and risk assessments to identify potential hazards.
- Monitor and ensure compliance with environmental and safety laws and company standards (e.g., OSHA, EPA, ISO 14001, ISO 45001).
- Investigate accidents, incidents, and near-misses; identify root causes and recommend corrective/preventive actions.
- Maintain EHS records and documentation, including reports, permits and inspection checklists.
- Provide training and education to employees on safety topics including PPE usage, emergency procedures, safe equipment operation, etc.
- Lead or participate in EHS committees and meetings.
- Manage waste disposal, emissions control, and other environmental aspects to ensure sustainability goals are met.
- Collaborate with other departments (HR, Operations, Maintenance, etc.) to improve EHS performance.
- Stay updated on changes in EHS regulations and best practices.

What we are looking for
